

## Admissions Procedure

1. Parents schedule an admissions interview with the principal.
2. At the interview prospective parents and students are given a tour of the school as well as information about the school. An interview is done to determine if the student and school are a good match.
3. Parents take paperwork and a handbook and decide whether they want to proceed with enrollment.
4. Upon review of prior school records and school application suitability for enrollment is determined by the administration of Countryside.
5. Parents pay a \$250.00 enrollment fee which covers post testing, processing student records, and student insurance.

### Tuition

The tuition is \$5,300.00 per student. Tuition can be paid all in once or in ten monthly payments. The first payment is due on September 1<sup>st</sup> and the last payment is due June 1<sup>st</sup>. Payments are due on the first day of the month. Accounts not paid by the tenth day of the month become delinquent and will be assessed a \$10.00 per week late fee. Accounts not paid by the twentieth day of the month will result in the student's account being placed on Financial Alert. If the account is not paid by the last day of the month, the student may be terminated from enrollment until the financial account is brought current. Seniors must have their financial accounts paid in full before they are allowed to receive their diplomas. All accounts must be paid in full before any records can be released.
